special meeting of the republica State Committee yesterday. He climbed to the runing board. "We've been ordered to lead you people to Roosevelt Hospital," he told the driver. "A crowd of people panicked and are supposed be coming out of the city on and be alert for any sudden Burke returned to the police car and climbed in alongside Buydos. The officer waved his arm for the signal to move and started down he highway, red lights flashing and siren screaming. The crowd thickened, as they approached the city. They crossed ie city line, slowing intermittent-

as people scattered before their approaching car and the following trucks, "Still okay," Burke said to Buydes, "If it doesn't get any worse than this, we'll make Another mile. The headlights stabbed through the darkness, il uminating the highway for hun-Buydos sware suddenly. His oot slammed down on the brake oedal, then released again as he

muttered. The highway ahead o bling. His foot hit the floor button and with the siren screaming, he eased the car slowly forward, roll ing through the mob which moved aside with reluctance. The people stared at them, uncomprehending, dreaded radiation. The police car and its convoy moved forward another hundred feet, then was orced to another halt. Burke flung open the car door, houting to the crowd to move aside. It was uscless. Buydos blasted on the horn and siren, but with little effect. He started for-

ward with the car, actually pushing people aside with the bumper the fenders. Those immediately forward of the car were pushed. lurching off balance. screaming and shouting at the Burke called zone headquarters. , . go ahead, Burke, this is "We're just inside the city line, Tony," Burke told him, "The crowd is puring onto the highway

rom the fields. Can't move unless we just bull our way through. Is there any chance of help coming along" Antonelli's voice crackled metallically. "They won't be able to get to your area for a while. Medical has been asking about heir convoy. Look. Ed. a lot of people are going to die unless convoy through. Do whatever you have to. That's all.'' "Well, Ed," Buydos said, "you" neard the man." Burke drew his revolver, a fired two shots into the air. The sharp cracks of the gun cut into the senses of the mob ; abruptly they stopped their flight, mutterig, staring at the police officer.
"Get off the road!" Burke houted. "Let these trucks

shouted. through! They're carrying blood and medical supplies! Get off the Murmurs ran through th group. Some people tried to push through the jam, but the sea of aces was unmoving. "Can't you understand me" Burke roared. "Get off the road!" Unresponding to the police-man's pleas, the mob began to push forward again, continuing to block the highway. Anger welled in Burke's brain. Those who had succumbed to fear for their own safety were denying life to sufferng people within Harrington. The anger grew, swelled to

terrifying proportions. Burke was working himself into a rage,

Maybe a bullet into one or a couple of them would give them something new to worry about

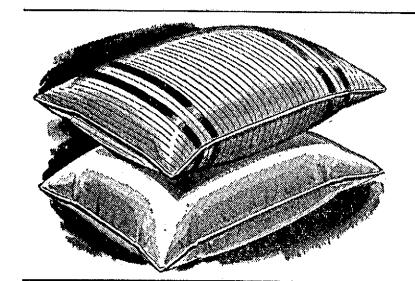

but he n clonger cared.

muttered. The highway ahead o bling. His foot hit the floor button and with the siren screaming, he eased the car slowly forward, roll ing through the mob which moved aside with reluctance. The people stared at them, uncomprehending, dreaded radiation. The police car and its convoy moved forward another hundred feet, then was orced to another halt. Burke flung open the car door, houting to the crowd to move aside. It was uscless. Buydos blasted on the horn and siren, but with little effect. He started for-

ward with the car, actually pushing people aside with the bumper the fenders. Those immediately forward of the car were pushed. lurching off balance. screaming and shouting at the Burke called zone headquarters. , . go ahead, Burke, this is "We're just inside the city line, Tony," Burke told him, "The crowd is puring onto the highway

rom the fields. Can't move unless we just bull our way through. Is there any chance of help coming along" Antonelli's voice crackled metallically. "They won't be able to get to your area for a while. Medical has been asking about heir convoy. Look. Ed. a lot of people are going to die unless convoy through. Do whatever you have to. That's all.'' "Well, Ed," Buydos said, "you" neard the man." Burke drew his revolver, a fired two shots into the air. The sharp cracks of the gun cut into the senses of the mob ; abruptly they stopped their flight, mutterig, staring at the police officer.
"Get off the road!" Burke houted. "Let these trucks

shouted. through! They're carrying blood and medical supplies! Get off the Murmurs ran through th group. Some people tried to push through the jam, but the sea of aces was unmoving. "Can't you understand me" Burke roared. "Get off the road!" Unresponding to the police-man's pleas, the mob began to push forward again, continuing to block the highway. Anger welled in Burke's brain. Those who had succumbed to fear for their own safety were denying life to sufferng people within Harrington. The anger grew, swelled to

terrifying proportions. Burke was working himself into a rage,

They the Revolution, Disney is pro cord and includes Paul Revere's slowing down. That lead truck squealed to a vention was set for Monday by a

special meeting of the republica State Committee yesterday. He climbed to the runing board. "We've been ordered to lead you people to Roosevelt Hospital," he told the driver. "A crowd of people panicked and are supposed be coming out of the city on and be alert for any sudden Burke returned to the police car and climbed in alongside Buydos. The officer waved his arm for the signal to move and started down he highway, red lights flashing and siren screaming. The crowd thickened, as they approached the city. They crossed ie city line, slowing intermittent-

as people scattered before their approaching car and the following trucks, "Still okay," Burke said to Buydes, "If it doesn't get any worse than this, we'll make Another mile. The headlights stabbed through the darkness, il uminating the highway for hun-Buydos sware suddenly. His oot slammed down on the brake oedal, then released again as he

muttered. The highway ahead o bling. His foot hit the floor button and with the siren screaming, he eased the car slowly forward, roll ing through the mob which moved aside with reluctance. The people stared at them, uncomprehending, dreaded radiation. The police car and its convoy moved forward another hundred feet, then was orced to another halt. Burke flung open the car door, houting to the crowd to move aside. It was uscless. Buydos blasted on the horn and siren, but with little effect. He started for-

ward with the car, actually pushing people aside with the bumper the fenders. Those immediately forward of the car were pushed. lurching off balance. screaming and shouting at the Burke called zone headquarters. , . go ahead, Burke, this is "We're just inside the city line, Tony," Burke told him, "The crowd is puring onto the highway

rom the fields. Can't move unless we just bull our way through. Is there any chance of help coming along" Antonelli's voice crackled metallically. "They won't be able to get to your area for a while. Medical has been asking about heir convoy. Look. Ed. a lot of people are going to die unless convoy through. Do whatever you have to. That's all.'' "Well, Ed," Buydos said, "you" neard the man." Burke drew his revolver, a fired two shots into the air. The sharp cracks of the gun cut into the senses of the mob ; abruptly they stopped their flight, mutterig, staring at the police officer.
"Get off the road!" Burke houted. "Let these trucks

shouted. through! They're carrying blood and medical supplies! Get off the Murmurs ran through th group. Some people tried to push through the jam, but the sea of aces was unmoving. "Can't you understand me" Burke roared. "Get off the road!" Unresponding to the police-man's pleas, the mob began to push forward again, continuing to block the highway. Anger welled in Burke's brain. Those who had succumbed to fear for their own safety were denying life to sufferng people within Harrington. The anger grew, swelled to

terrifying proportions. Burke was working himself into a rage,

Maybe a bullet into one or a couple of them would give them something new to worry about

B.F. Goodrich

You're cordially invited -

To attend the Grand Opening of the new B. F. Goodrich Dealer BUDGET store! Come in and see the latest auto and home supplies conveniently displayed and ATTRACTIVELY priced.

We're especially proud of our many nationally famous brands - brands advertised in Life and Post - such as Motorola, General Electric, Kelvinator, Schwinn, etc.

And we're also the headquarters for the famous B. F. Goodrich Tubeless Tire that protects against all three tire hazards --- punctures, blowouts and skids. You can best see for yourself when you visit us - just "window shop" to your heart's content - you are more than welcome.

> Very truly yours, JIMMY TOLLETT, Manager

P. S. — The following prizes will be given away: Kelvinator Refrigerator 2-piece Air Foam Living Room Suite; Hot Point Automatic Washing Machine; T V. Chair; Motorola T. V.; Schwinn Bicycle and other small prizes. Prizes are on display at our store. Come in and register during our two-day opening sale. No obligation and you do not have to be present to win.

Governors Say No to a By WARREN ROGERS JR

WHITE SULPHUR SPRINGS, W. - Democratic governors necting here today said "No" again to a GOP colleague who wants to lead them. It went this way, as the 22nd annual Southern Governors Conerence moved toward a close: Gov. Theodore R. McKeldin of Maryland wants to be chairman. "My state deserves it." he has been heard to say, "and I've got seniority. I am six years a gover-Last year he made a bid for it with much the same argument. But the chairmanship went in-

stend to Democratic Gov. Frank G. Clement of Tennessee. This year McKeldin was back, the only Republican present since J. Caleb voted to admit 25 Negro students Boggs of Delaware couldn't make to the student body of 1,000 white it. McKeldin made no apologies about his partisanship. He sported Herbert Brewer, a segregationist a tie which bore the legend "more

Minted 13.5 million merman of South Carolina, decid-Floyd, Howard Vance and Leo dollars in silver coins for Australia ed to nominate Gov. Luther H. Hodges of North Carolina. McKeldin, they decided, would have to wait another year. All that remained was for th Southern governors to put a stamp

of approval on the nominating committee's choice. That was key item on a light schedule of Another was the selection next year's meeting place. Sea Island, Ga., was the general favorite, with Hot Springs, Ark., ticketed to get it in 1958. None of the governors expected much else to come out of their

windup business session behind closed doors. No resolution breathed a word about integration of students in Southern public schools. That was the main topic of talk when the governors started assembling here Sunday! It was mentioned publicly at their conference only once-by Chairman Clement who used troops to quell mob violence at a school in Clinton, Tenn. Yesterday Gov. Leroy Collins of MOP Hospital Florida told his colleagues they shouldn't worry so much about ra. Annex Planned cial problems that they lose out
